

Bulk Business Subscription License

The Bulk Business Subscription License is designed for a company with multiple employees that all need access to TechAuthority on-line subscriptions. TechAuthority offers a Bulk Subscription License sold to a company and can be used by employees of that business. Each license will have an administrator of the license and that person can assign employees to their own individual license.

Please complete the form below, sign, scan and send to moparsupport@snapon.com. A representative will contact you regarding your license application.

The Company certifies the following in order to be granted a Bulk Business Subscription License

- The licenses will only be used by employees of the Company;
- The licenses cannot be sold to any other person;
- The company will assign an administrator to maintain all licenses for the Company;
- TechAuthority reserves the right to cancel all Company licenses if this policy is not followed.
- The Company has read and agrees to be bound by the Terms and Conditions on the website.
- All subscriptions start and end on the same day and are valid for one year from the date of purchase.

The undersigned agrees to the conditions set forth.
